# Happy Easter

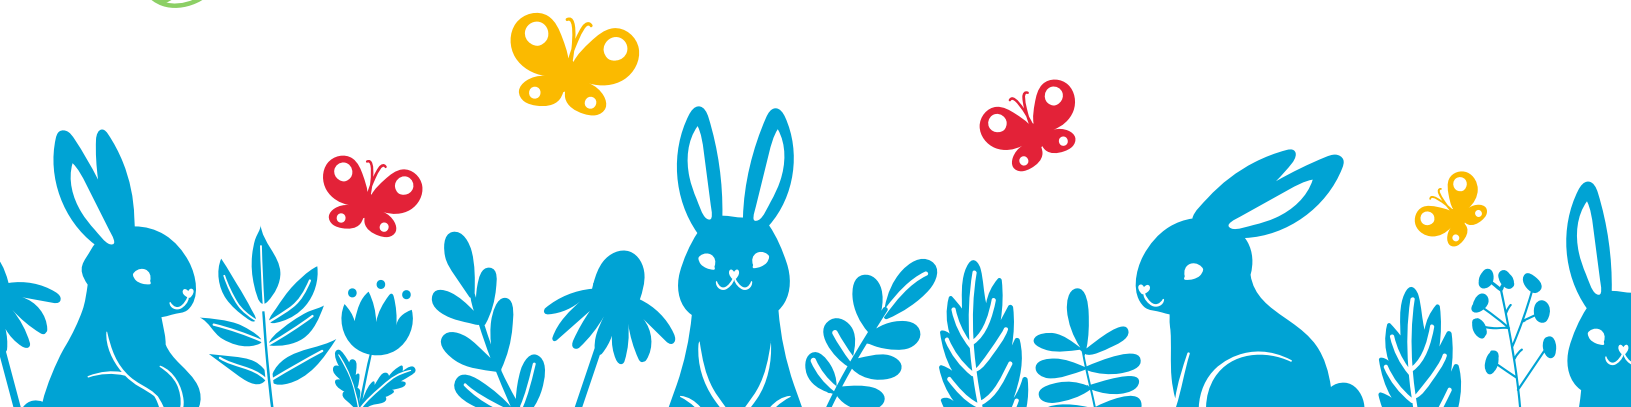

*Easter* is joyful and vivid greenery, fresh flowers, pastel colors, joy in the air, the first rays of the sun and brighter days. It's a beautifully decorated table, and the power of joy on it.

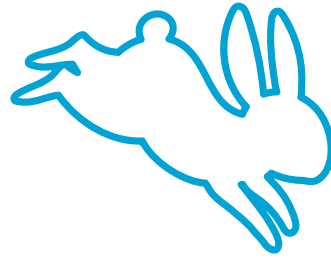

We have everything here to make your Easter beautiful, orderly and organized.

**Brighten up your interior and improve your mood by choosing something from our Easter collection.**

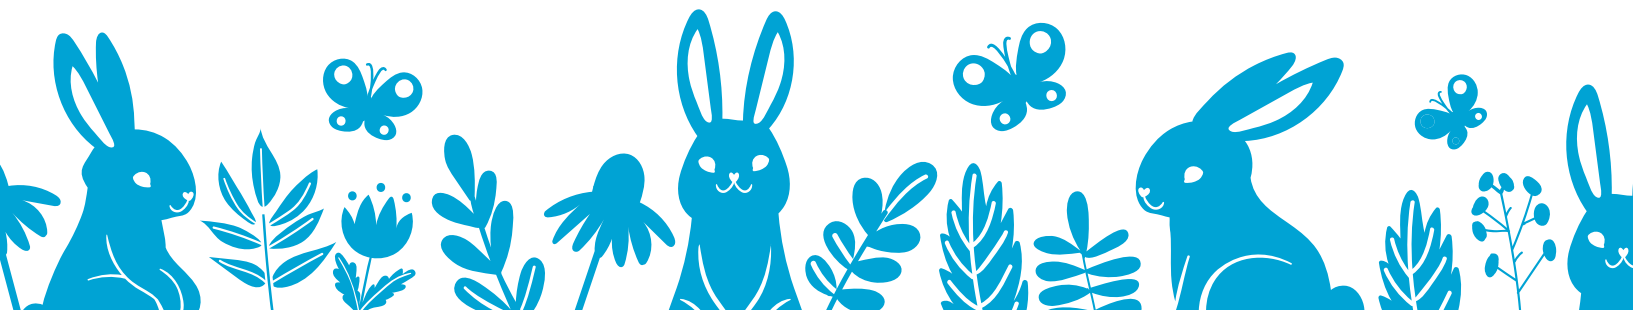

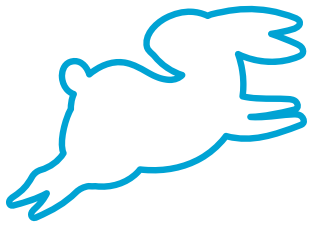

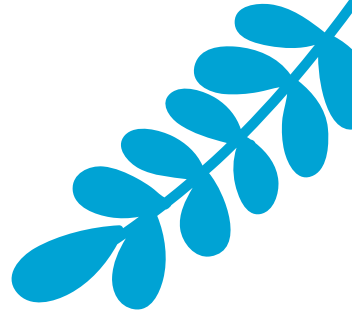

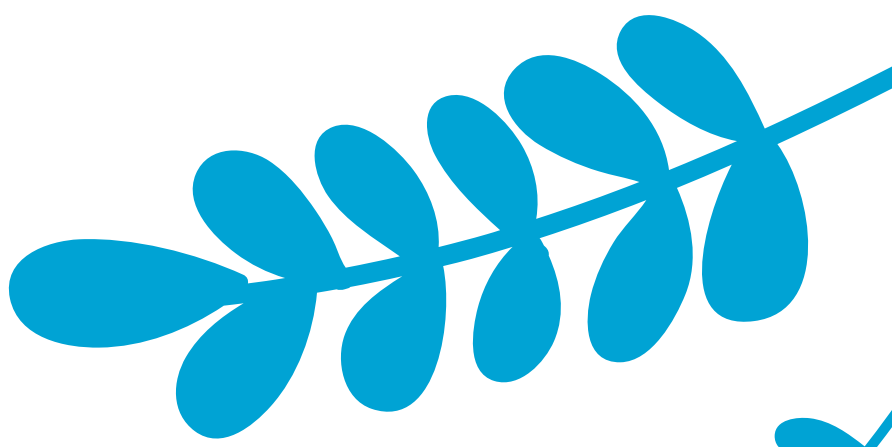

***Ribbons and satin ribbons in pastel colors to decorate gifts, glasses or bottles and wine glasses***

*Cotillions for marking and table numbering,  
as namesake for guests or elegant decoration*

*Containers for bread, fruit, eggs  
or flowers made of vegan paper*

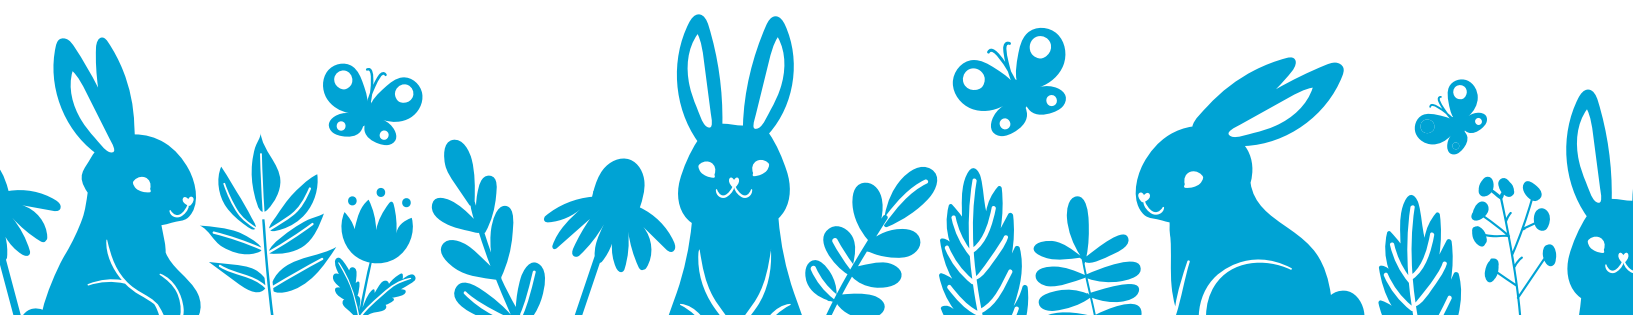

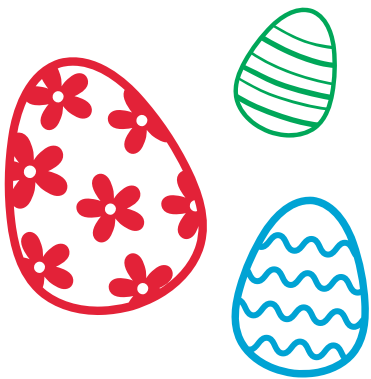

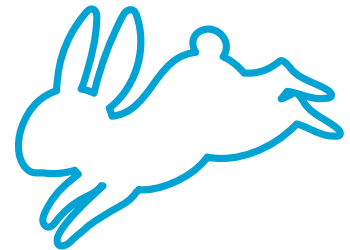

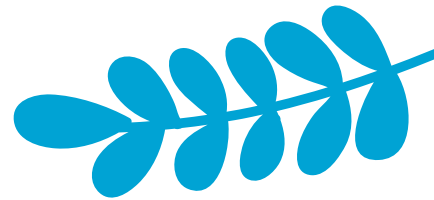

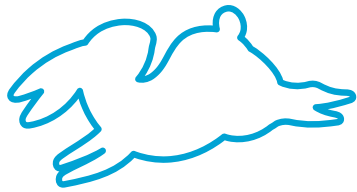

*Tablecloth, table runner  
and table napkins with  
any graphics you can imagine*

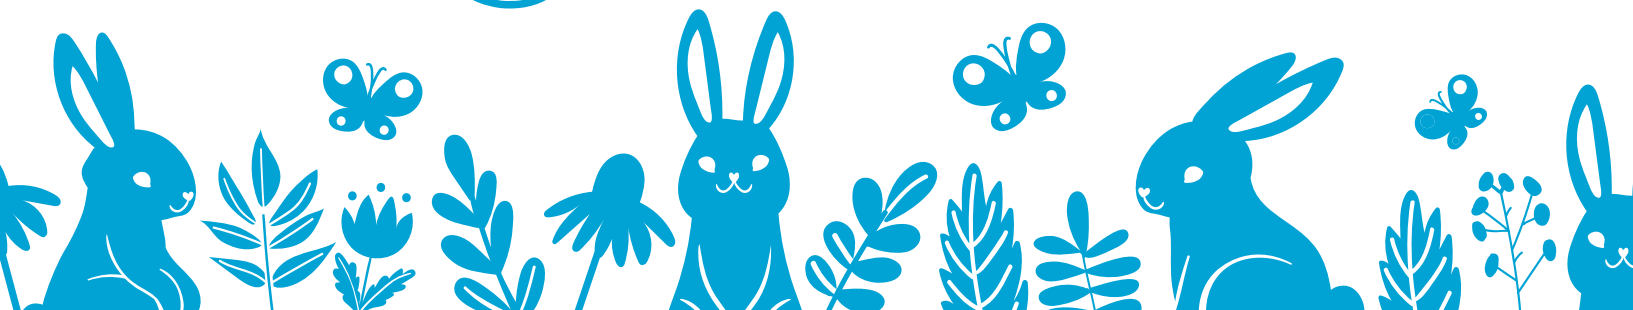

*Colorful pins  
and event sashes*

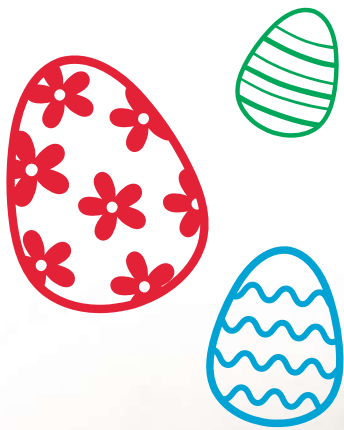

*Delicious Easter milk chocolate balls with raspberries inside.*

# Wrap your life beautifully!

***We have everything you need  
to decorate your table and even more...***

*Parties, feasts, events, weddings, baptisms,  
special and exceptional occasions.*

*And even gifts, the smaller and the biggest ones!*
